SOBHA conferred with Dun & Bradstreet Corporate awards 2019 for Real Estate

Bengaluru, June 10, 2019: SOBHA, India's most admired and trusted real estate brand, has been conferred with the **Dun & Bradstreet Corporate Awards 2019** in the **Real Estate** category at the recently held ceremony held in Mumbai. The award recognises SOBHA's outstanding performance in the real estate sector.

Speaking on the occasion, **Mr. J.C. Sharma, Vice Chairman and Managing Director, SOBHA Limited** said, "We are thankful to the jury for acknowledging our efforts in the real estate sector and awarding us with the prestigious Dun and Bradstreet Corporate Awards. Our international quality products, transparent business practices and in-house competencies showcase the value that we bring for our customers as well as the sector. This has helped us win the trust of our stakeholders over the years."

The Dun & Bradstreet Corporate Awards commemorate outstanding performers among Indian Corporates. The award audience comprises management from leading corporates, representatives from the government, financial institutions and thought leaders. The awards are presented to corporations across 40-45 business sectors. A team of Dun and Bradstreet analysts identify financial parameters pertinent to each category for evaluating the performance of organizations. These parameters are included in a proprietary financial model developed in-house which is used to identify the top performers in each category. Winners are then chosen on the basis of a composite score which takes into account several quantitative factors.

About SOBHA Limited:

Founded in 1995, SOBHA Limited is one of the fastest growing and foremost backward integrated real estate players in the country. It means that the company has all the key competencies and in-house resources to deliver a project from its conceptualization to completion. SOBHA is primarily focused on residential and contractual projects. The Company's residential projects include presidential apartments, villas, row houses, super luxury & luxury apartments, plotted developments and aspirational homes. In all its residential projects, the company lays strong emphasis on environmental management, water harvesting and highest safety standards. On the contractual projects side, the Company has constructed a variety of structures for corporates including offices, convention centres, software development blocks, multiplex theatres, hostel facilities, guest houses, food courts, restaurants, research centres, and club houses.
